Maxliner Bed Liners

Designed to meet the highest specifications of each vehicle where toughness, agility and dependability are all combined into the Maxliner brand. Our products are also tested under the most severe and harsh environments which makes it the strongest bed liner ever manufactured.

- Easy to clean from dust, mud, and chemical residues
- 100% anti UV protection

- Easy installation and requires no drilling
- Available in over rail or under rail sets
- Lifetime warranty

Maxliner 5 Piece BedLiner

The Maxliner KD 5 piece under rail bed liner is our latest evolutionary step regarding bedliner innovation. For this variant the floor has a “**non-skid floor surface**” reducing sliding of cargo while driving.

Furthermore, the five-piece design allows a closer fit to the truck bed, maximizing inside space. This all packed in a single box, reducing transport damages, shipped to you much more efficiently than the traditional bed liners and easy to install DIY.

- Non skid floor/reduces items sliding around in the cargo area
- Designed specifically for the vehicle
- Maintenance free textured deck surface
- Thicker than most Bed Liners on the market

- UV stable along with fuel and chemical resistance
- Lifetime warranty (original purchaser)
- Non-drill installation

MaxPro Floor Mats / Liners

MaxPro Floor Mats are manufactured with eco-friendly and low-density polyethylene materials, so they leave no floor in your vehicle unprotected.

With the help of the raised lip and molded outer edge these floor mats lock in all the dirt and liquid spills you could throw at them. Specifically, the raised lip prevents anything from reaching the carpet of your vehicle, protecting it from messy accidents.

MaxPro seeks to provide not just superior protection for your vehicle, but also enhances the overall appearance of your vehicles interior with its textured surfaces and modern design.

- All weather protection against snow, mud, sand, water and more
- Seamless fitting in your vehicle floors from front to back
- Created from a semi-flexible material that offers a ridged core for strength
- Spill saver lip
- Easy to clean and maintain
- Lifetime warranty
- Easy removal of dirty mats without spilling debris on carpet

MaxSlide Tray

MaxSliding Tray provides quick and easy access of goods through a sliding mechanism that is affixed to the utility floor.

- Lightweight rail system
- Maximum loading capacity of 250kg
- Four Maxliner Super Lock tie down points
- Smooth push and pull to access the goods
- Follows the contour of the floor maximising storage space
- 2-year warranty

MaxFender Flares

- Easy to maintain and clean
- Premium quality that provides durability and longevity
- Non-drill fitment
- Available in textured finish or colour matched to the vehicle
- Available in smooth painted finish without bolts
- Available in textured finish with or without bolts
- 2-year warranty

Maxliner Australia Interactive Showroom

ABOUT US

Maxliner Australia brings inspiration and innovation to SUV and Utility vehicle accessories. Designed and tested to OEM specification by a dedicated team of R&D engineers based in our Global Head Office in Thailand.

Our head office and manufacturing plants are in Amata City Chonburi, Thailand. With a strategic location, our facilities are near the international airport (Suvarnabhumi) & major shipping harbor, Laem Chabang. Today, our team includes professional development & research teams of over 100 fully dedicated associates chosen to develop quality products to fulfill ever increasing customer/distributor and vehicle manufacturer requirements. Our organizational team consist of 2,000 employees to ensure on time delivery, enhance customer satisfaction, and are respectively certified for ISO 9001, ISO/14001, IATF16949 and GMP.

Since our establishment we are proud to produce market leading packaging products ranging from plastic cups, tubs, lids, dishes & bowls, trays, containers, etc.

Our environmentally effective products are utilised by customers seeking the latest modern and unique designs.

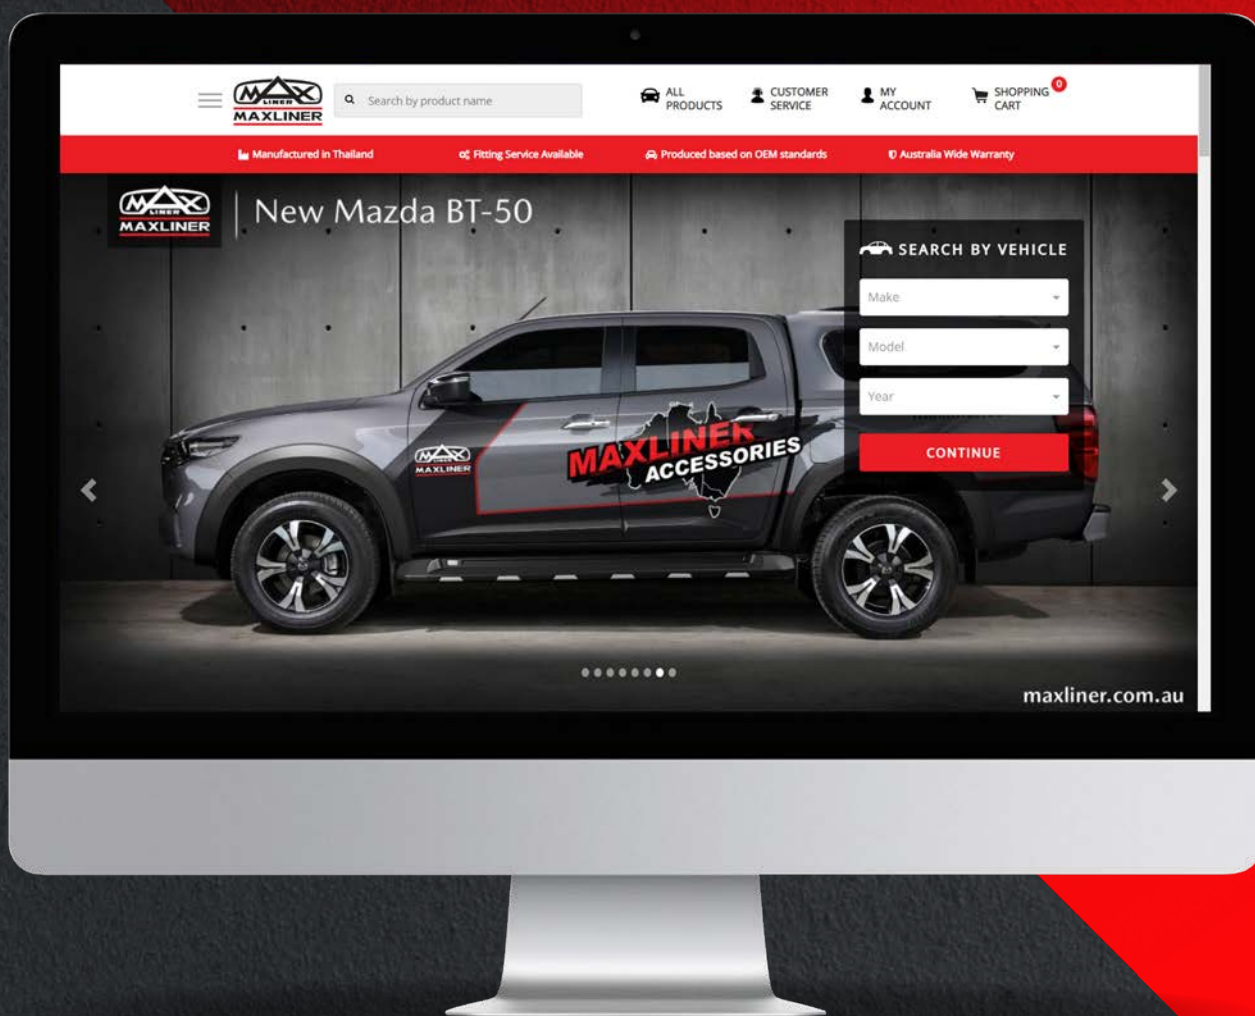

Maxliner Australia, are fully owned by Vandapac Co Ltd, with a Sales Office, Showroom and warehouse operations under one roof. Our key objective is very simple: Improve Supply ability at reduced costs for all Maxliner products to our Maxliner and OEM customer base in both countries, combined with a strong customer service charter.

You can experience our interactive Showrooms at 2 Dexter Drive, Epping 3076 VIC, and 9 Hinkler Court, Brendale 4500 QLD. Our showrooms are open between Monday-Friday 8.30 AM – 5.00 PM and Saturday by appointment, where we have all of our products on display. We also have a fully equipped workshop and factory trained accessory technicians to ensure that we deliver outstanding customer satisfaction.
