# WHY MAXLINER?

Our company has been producing OEM quality vehicle accessories for over thirty years, employs over two thousand team members, and supplies genuine accessories and production globally to some of the world's biggest vehicle manufacturers.

All Maxliner accessories are exclusively engineered for the perfect fit and finish in Thailand, the heartland of ute manufacturing. Manufactured from high-quality and state-of-the-art materials, we back Maxliner products with some of the industry's best warranties. This combination of experience, materials, and peace of mind offers you the perfect gear to personalise your BT-50. With products to add style, function, and protection, we have accessories to suit all BT-50 owners.

## MAXTOP CANOPY

### Modern design with quality features

If you want a canopy that works (and plays) as hard as you do, the Maxliner Australia Full Option could be your perfect fit—incorporating function, style, and features to suit your lifestyle and needs.

## COMMERCIAL CANOPY

### Practical and secure

You want to get the job done with no fuss. Whether it's for keeping your camping gear safe or your work tools away from prying eyes, the Maxliner Australia Commercial canopy ticks all the boxes.

# MAXLINER CANOPIES

A white ute with a Maxliner canopy installed on its bed, shown from a rear three-quarter view. The canopy is a dark, sleek design that covers the entire bed area. The vehicle is parked on a dark surface, and the background is a blurred industrial or construction site.

## VENTURE CANOPY

### **Groundbreaking specifications and electrifying styling**

The Venture canopy was designed from the ground up with the Australian ute market in mind. Packed with class-leading considered and practical features, it takes your ute from a functional workhorse to a lifestyle accessory.

# TRAY ACCESSORIES

## MAXBOXES

Available in three unique styles to suit your lifestyle, the Maxliner Australia range of MaxBoxes is a lightweight, rugged, and lockable storage solution to keep your gear safe. Made tough, we back them with a lifetime warranty.

## SLIDING TRAY & TAILGATE ASSIST

We make gear that gets the job done. Our Sliding Tray makes getting the equipment from the back of your ute easier than ever. And the Tailgate Assist takes a load off when opening and closing your tailgate.

# MAXLINER HARD LIDS

## ABS HARD LID

Our ABS hard lids provide a practical, lightweight, and modern option to keep your gear secure, carry extra equipment, and enhance the aesthetics of your ute. Choose your style with matte black or colour-coded lids available.

## ALLOY HARD LID

The lid features a weather seal, tailgate locking mechanism, and 130kg carrying capacity, making it the perfect accessory for storage, security, and load carrying. Available in matte black or polished aluminium finish with optional central locking.

# EXTERIOR ACCESSORIES

## SIDE PROTECTION

We engineer our side protection gear to work as well as it looks. Our steps and rails provide practical protection from debris when driving while also providing more accessible access to the vehicle and roof when loading and unloading.

## MAXLINER SPORTS BAR

Made from high-quality alloy and designed uniquely for each vehicle profile, the Maxliner Sports Bar is a lightweight, functional accessory that enhances the visual appeal of your ute and can offer a solution for mounting lights or carrying long loads.

# TUB LINERS

## TWO OR FIVE PIECE OPTION

Tub liners are one of the best ways to protect your investment in your ute. Engineered using the latest technology, our vehicle-specific liners are of OEM standard. Giving you exceptional fit and finish backed with a lifetime warranty. **Also available in tailgate or bedmat piece**

# ACCESSORIES

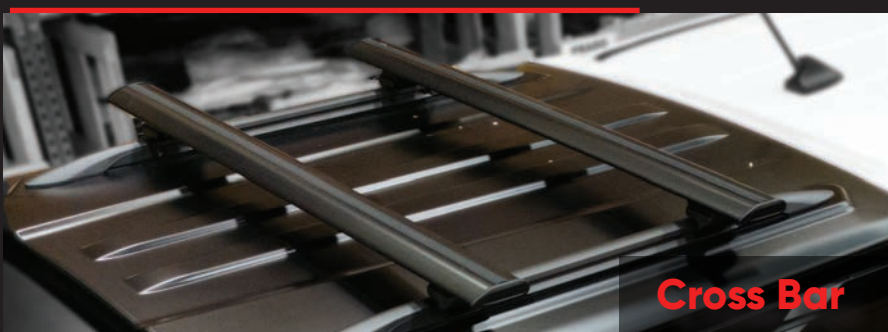

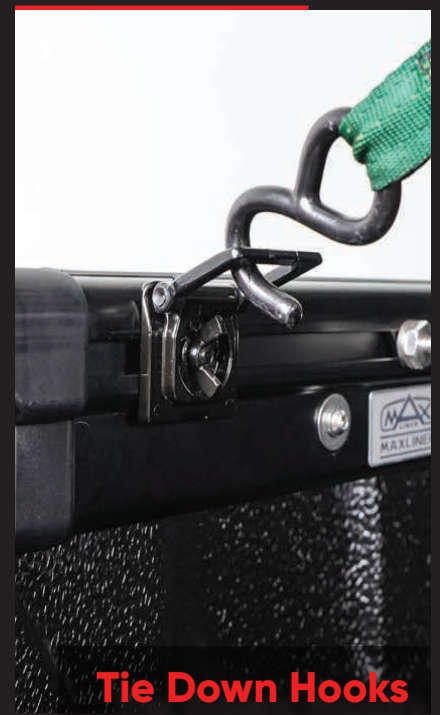

## STYLING ACCESSORIES

You are not like everyone else, so why should your ute be? Personalise your vehicle to make it the finest-looking workhorse on-site or in your off-road adventure crew with our range of styling accessories made to OEM standards.

## FUNCTIONAL ACCESSORIES

It's the little things that make a difference. Our Max Rail protects your rails from scratches and bumps. And our Cross bar and Tie Down hooks make the perfect flexible accessory for securing and carrying loads.

# FLOOR MATS

## 3D PROTECTION WITH A LIFETIME WARRANTY

You know you are onto a good thing when you sell over 500,000 floor mats a year. Life's messy, and we have your back...seat (and front and cargo area) with our superiorly designed floor mats to offer door-to-door protection.
