# WHY MAXLINER?

Whether your Ranger is to get your tools to and from the job site or get all the family's gear to the weekend camping spot, you want confidence that the product you invest in will get the job done. Our company has been producing OEM quality vehicle accessories for over thirty years, employs over two thousand team members, and supplies genuine accessories and production globally to some of the world's biggest vehicle manufacturers.

All Maxliner accessories are exclusively engineered for the perfect fit and finish in Thailand, the heartland of ute manufacturing. Manufactured from high-quality and state-of-the-art materials, we back Maxliner products with some of the industry's best warranties. This combination of experience, materials, and peace of mind offers you the perfect gear to personalise your Ranger. With products to add style, function, and protection, we have products to suit all Ranger owners.

# VENTURE CANOPY

**Groundbreaking specifications  
and electrifying styling**

Engineered from the ground up, we created the new Venture canopy with Aussie ute owners in mind. We tasked our in-house R&D and Styling team with building a canopy that combined form and function with SUV-like styling. The result is Venture. The Venture features prominent side & rear windows for easy access. It is available in two product styles, a traditional colour-coded painted body or a modern and dynamic black-accented version.

To further personalise your vehicle, you can match either style with black door moldings, flares, weather shields, side steps, and roof rails.

# ABS COVER

## Modern design combined with quality features

If you want the job done with no fuss, be it keeping your camping gear safe or your work tools away from prying eyes, the Maxliner ABS Cover ticks all the boxes. It could be your perfect fit.

# RETRACTABLE SIDE STEP

## Functional and rugged

Designed to give you the boost you need when getting in or out of your vehicle but cleverly tucks away when you want to hit those tight little trails.

Are they steps, or are they rails? Well, it depends on what you want to do with them. Fold them down, and you have the perfect rugged and low-maintenance step providing easy access to your 4WD.

Made from steel for long-lasting durability, we back it up with a three year warranty.

# FIVE PIECE TUB LINERS

## Lightweight protection for your investment

Our engineering team design and manufacture our tub liners to the specifications developed for vehicle manufacturers. This process offers you exceptional fit and finish backed with a lifetime warranty.

### FEATURES

- **Non-skid floor**
- **A closer fit maximises space**
- **Non-drill fitment**
- **Manufactured from High-Density Polyethylene (HDPE)**
- **100% anti UV surface**
- **Lifetime Warranty**

# ALL WEATHER FLOOR MATS

**Designed to take whatever  
you can throw at them**

Using the latest CAD technology and scan data, we develop our floor liners to the exact vehicle requirements. We then do a trial fitment in an actual vehicle to offer perfect fit and finish on every set of MaxPro Floor Liners. And we give you a lifetime warranty and a fit guarantee.

## FEATURES

- **Vehicle specific design**
- **Uses existing retention system**
- **Full coverage high lip to trap debris**
